### VOSS - SUPER PURE WATER FROM NORWAY

Voss is an artesian (subterranean) source in the wilder-  
ness of Southern Norway where there is virtually no  
population, pollution, or industry. Super-Pure with only  
22 TDS (total dissolved solids), the lowest ever mea-  
sured by the FDA. Sodium free. Sleek cylindrical bottle  
designed by former creative director of Calvin Klein,  
captures and enhances the purity of the water.  
\$5
