Dear Valued Guests & Friends,

In order to better serve you, Peterson's will begin accepting online reservations via **RESY** on **Monday, September 30<sup>th</sup> 2019**.

*Reservations for Peterson's will cease to be available through OpenTable.*

Any existing reservations already made through OpenTable for future dates will be automatically transferred and honored. *You don't need to do a thing!*

**RESY** allows us to continue offering convenient online reservations while adding new features such as, text confirmations and online tickets to special restaurant events, in order to streamline communications and improve your overall experience with us.

If you're not already a RESY member:

- Create an account for free (just like you did for Open Table) at [RESY.com](https://www.resy.com) or download the RESY mobile app from [Google Play](https://play.google.com/store/apps/details?id=com.resy) or the [Apple App Store](https://apps.apple.com/us/app/resy/id1450848110).

Once your account is created, you can make your reservations from Peterson's website as always on the [Reservations](#) page.

You are always welcome to call or email us to book your reservations. We love hearing from you directly!
