At the top of the High Valley AVA in Lake County, CA lives an Estate and winery unlike any other. Planted at an altitude matched by only 1% of vineyards in the world, Brassfield Estate Vineyards & Winery is not bound by the traditions of the valley floor. Precision, sustainable farming is their base to craft 17 varietals; from vine to bottle the wines never leave their hands. Brassfield goes above and beyond; for the land they reside on, the animals they share it with, the people who join them, and of course their award-winning wines.

After purchasing the historic Cyrus Alexander homestead, Harry and Maggie Wetzel strived to create a thriving agricultural lifestyle on the property. They raised their children along with their vines in Alexander Valley, providing inspiration and encouragement as they developed the estate together. Decades later, the fourth generation of their family is growing up amongst vineyards and next door to the working winery that is known around the world as "AVV".
